

EC-TYPE EXAMINATION CERTIFICATE

According to module B annex IV of directive 99/36/EG

Manufacturing site: See above

Product description: See annex

Category per annex V: 3

Prerequisites: In addition to the type examination certification a appropriate approval issued by a notified body is required prior production.

Examination report #: See annex

Technical specification : directive 99/36/EC, 97/23/EC, ADR, EN 1964 part 1

The product mentioned above meets the essential requirements of directive 99/36/EC of the European Parliament and of the Council of 29 April 1999 on the approximation of the laws of the Member States concerning transportable pressure equipment. Therefore, it may bear following mark:

TT

ID of notified body: 0685

Date of Initial certification: August 02, 2006

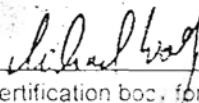

Date of last certification: August 02, 2006

This certificate is valid till: August 01, 2016

registration no.: Z-O-002-04716/07

As a prerequisite to maintain the validity of this certificate annual surveillance audits of the quality system must be conducted by the notified body in charge.

Hamburg, October 11, 2007

Certification body for pressure equipment

Annex of module B type examination certificate
Shanghai High Pressure Container Co., Ltd.
(Registration No: Z-O-002-04716/07)

product description:

1. seamless gas bottle made of steel 34CrMo4
Ø 273 mm, test pressure: 300 bar, capacity: 67,5 L and 80 L
DRWG -No: SR-WT4.C2
medium: UN1013, UN1002, UN1049, UN1066, UN1072, UN1035, UN1962,
UN1660 and per ADR
previous registration No.: Z-O-002-00792/04
2. seamless gas bottle made of steel 34CrMo4
Ø 267 mm, test pressure: 300 bar, capacity: 67,5 L to 80L
DRWG-No: SR-WT5.C1-00 und 01, SR-WT5.C2-00 und 01, SR-WT5.C3-00 and
01, SR-WT5.C4-00 und 01
medium: UN1013, UN1002, UN1049, UN1066, UN1072, UN1035, UN1962,
UN1660 and per ADR
previous registration No.: Z-O-002-00793/05
3. seamless gas bottle made of steel 34CrMo4,
Ø 229 mm, test pressure: 250 bar, capacity: 35L to 50 L
DRWG-No: SR-WT.C2-00 and SR-WT6.C2-01
medium: UN1013, UN1002, UN1049, UN1066, UN1072, UN1035, UN1962
UN1660 and per ADR
previous registration No.: Z-O-002-00844/05
4. seamless gas bottle made of steel 34CrMo4
Ø 229 mm, test pressure: 300 bar, capacity: 30 L to 50 L
DRWG-Nr: SR-WT6.C1-00 und 01 and SR-WT6.C3-00 and 01
medium: UN1013, UN1002, UN1049, UN1066, UN1072, UN1035, UN1962,
UN1660 and per ADR
previous registration No.: Z-O-002-00794/05
5. seamless gas bottle made of steel 34CrMo4
Ø 229 mm, test pressure: 345 bar, capacity: 40 L to 50 L
DRWG-No: SR-WT5.C5-01
medium: UN1013, UN1002, UN1049, UN1066, UN1072, UN1035, UN1962,
UN1660 and per ADR
previous registration No.: Z-O-002-01334/05
